SUMMARY

Motivated B.Tech IT undergraduate at DJ Sanghvi College with a strong foundation in software development, specializing in Java, web technologies, and database management. Passionate about building scalable applications and exploring DevOps practices. Adept at problem-solving, with a strong grasp of DSA and algorithmic challenges. Committed to continuous learning and industry readiness through hands-on projects and structured roadmaps.

SKILLS

- **Languages:** Java, Python, C
- **Web Development:** HTML, CSS, JavaScript, React.js
- **Databases:** MySQL
- **Concepts:** API Integration, DSA
- **Soft Skills:** Problem-Solving, Teamwork, Adaptability, Communication

PROJECTS

- **Weather Forecast Web App** – Built a responsive web app using HTML, CSS, JavaScript, and a weather API to display real-time weather updates with a clean, user-friendly interface. Gained hands-on experience in API integration, asynchronous operations, and UI design.

- **Starbucks Landing Page –** Designed and developed a responsive landing page using HTML, CSS, and JavaScript. Ensured a visually appealing, mobile-friendly layout with smooth animations and an intuitive user interface.

- **CartConnect (Ongoing Group Project)** – Developing an e-commerce platform for data aggregation.

EDUCATION

Pursuing B.tech in Information Technology,May 2027
Dwarkadas J.Sanghvi College of Engineering

HSC,March 2022
Ramniranjan Jhunjhunwala college of Arts Science and Commerce

ACHIEVEMENTS

- **2nd Runner-up | IIC-IITB Case Study Competition –** Demonstrated analytical and problem-solving skills in a highly competitive case study event at IIT Bombay.
- **98.14 Percentile in JEE –** Achieved a top percentile through dedication and strong problem-solving abilities.
